Commissioner Breckinridge-

The applicant applies for the enrollment of three orphan children, the children of a deceased brother of his. The fourth child for whom he started to make application is found to have been enrolled by a sister with whom she lives, and the application for that child is consequently not continued. These three children, Ewing, Clarence, and James Markham, are identified on the roll of 1896; they are living in the Cherokee Nation at this time; they are minors. They are too young to be upon the roll of 1896, but their deceased father and mother are identified on that roll, and the three children just named will now be listed for enrollment as Cherokees by blood.

E. C. Rothenberger, being duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he reported in full the testimony and proceedings in the above case, and that the foregoing is a full, true and correct transcript of his stenographic notes in said case.

Commissioner Breckinridge-

The applicant is permitted to apply for the enrollment of his father, mother and two sisters, because of the extreme old age of his father and mother, the illness of one of his sisters, and the inability of the other to leave these dependent members of the family. As some one must apply for these people, this son is permitted to do so, instead of the only sister who can leave home, but who cannot be spared, he being required to appear; their home being thirty miles away over an extremely mountainous country. The applicant's father, James Brown, is identified on the rolls of 1860 and 1896 as an adopted Cherokee. He is a white man. He has lived in the Cherokee Nation, and with his Cherokee wife since 1871, and they came from North Carolina, and he will be listed now for enrollment as a Cherokee by intermarriage. The applicant's mother, Eliza Brown, is identified on the rolls of 1860 and 1896 as a native Cherokee. She has lived in the Cherokee Nation ever since 1871, and she will be listed for enrollment as a Cherokee by blood. The applicant's two sisters, Polly A. and Florence H. Brown, are identified on the rolls of 1860 and 1896 as native Cherokees. They have lived in the Cherokee Nation since 1871, and they will be listed for enrollment as Cherokees by blood.

E. O. Rothenberger, being duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he reported in full the testimony and proceedings in the above case, and that the foregoing is a full, true and correct transcript of his stenographic notes in said case.

Subscribed and sworn to before me this 14th day of December, 1900.

DEPARTMENT OF THE INTERIOR,
 COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
 James Brown as a citizen by intermarriage of the Cherokee Nation.

DECISION

THE RECORDS OF THIS OFFICE SHOW: That at Tahlequah, Indian Territory, December 13, 1900, application was received by the Commission to the Five Civilized Tribes for the enrollment of James Brown as a citizen by intermarriage of the Cherokee Nation. Further proceedings in the matter of said application were had at Tahlequah, Indian Territory, October 6, 1902, and October 10, 1902.

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein, James Brown, who is identified on the Cherokee authenticated tribal roll of 1880, Going Snake District, Page 409, No. 153, is a white man and neither claims nor possesses any right to enrollment as a citizen of the Cherokee Nation other than such right as he may have acquired by virtue of his marriage to one Eliza Brown, who is identified on the Cherokee authenticated tribal roll of 1880, Going Snake District, Page 409, No. 154, as a native Cherokee. The date of the marriage of said James Brown and Eliza Brown is not given, but it appears that the said Eliza Brown was not admitted to citizenship in the Cherokee Nation until November 16, 1876. It is considered, therefore, that the said applicant did not marry in accordance with Cherokee law, a citizen by blood of the Cherokee Nation prior to November 1, 1876.

IT IS, THEREFORE, ORDERED AND ADJUDGED: That in accordance with the decision of the Supreme Court of the United States dated November 2, 1906, in the cases of Daniel Red Bird, et al., vs. the United States, Nos. 125, 126, 127 and 128, the said applicant, James Brown, is not entitled under the provisions of Section Twenty-one of the Act of Congress approved June 28, 1898 (30 Stat. 495), to enrollment as a citizen by intermarriage of the Cherokee Nation, and his application for enrollment as such is accordingly denied.

Dear Madam:

November 6, 1906, the United States Supreme Court held that white persons who intermarried with Cherokee citizens according to Cherokee law prior to November 1, 1875, are entitled to enrollment and allotments of land as citizens of the Cherokee Nation.

You are advised that to properly determine the right to enrollment as a citizen by intermarriage of the Cherokee Nation of your deceased husband, James Brown, it will be necessary for you to appear before the Commissioner for the purpose of giving testimony as to the date of his marriage and whether or not his wife, by reason of his marriage to whom he claims the right to enrollment as a citizen of the Cherokee Nation, was a recognized citizen of the Cherokee Nation at the time of his marriage to her, and whether or not he was married to her in accordance with Cherokee laws.

You are, therefore, directed to appear before the Commissioner at Muskogee, Indian Territory, at 9 o'clock A. M., on Saturday, January 5, 1907, and give testimony as above indicated.

Respectfully,

In the matter of the application for the enrollment of
Jesse Barnett as a citizen by intermarriage of the Cherokee Nation.

DECISION.

THE RECORDS OF THIS OFFICE SHOW: That on December 13, 1900, application was received by the Commission to the Five Civilized Tribes, for the enrollment of Jesse Barnett, as a citizen by intermarriage of the Cherokee nation. Further proceedings in the matter of said application were had at Tahlequah, Indian Territory, October 27, 1902, and at Muskogee, Indian Territory, January 4, 1907 and January 11, 1907.

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein, Jesse Barnett, a white man, was married in accordance with Cherokee law in 1872 to his wife, Selina Barnett, nee Pereman, since deceased, who was, at the time of said marriage, a recognized citizen by blood of the Cherokee Nation, who is identified on the Cherokee authenticated tribal roll of 1880, Going Snake District, No. 221, as a native Cherokee "Dead"; that from the time of said marriage until the death of Selina Barnett, which occurred about the year 1886, the said Jesse Barnett and Selina Barnett resided together as husband and wife and continuously lived in the Cherokee Nation. It is further shown that about the year 1888, said Jesse Barnett married one Julia A. Barnett, nee Bell, who was at the time of said marriage a recognized citizen by blood of the Cherokee Nation, who is identified on the Cherokee authenticated tribal roll of 1880, Going Snake District, No. 266, as a native Cherokee, and whose name is included in the approved partial roll of citizens by blood of the Cherokee Nation, opposite No. 15792; that from the time of said marriage, the said Jesse Barnett and Julia A. Barnett resided together as husband and wife and continuously lived in the Cherokee Nation up to and including September 1, 1902. Said applicant is identified on the Cherokee authenticated tribal roll of 1880, and the Cherokee census roll of 1896 as an intermarried citizen of the Cherokee Nation.

IT IS THEREFORE ORDERED AND ADJUDGED: That in accordance with the decision of the Supreme Court of the United States, dated November 5, 1906, in the cases of Daniel Red Bird, et al. vs. the United States, Nos. 125, 126, 127, 128, the said applicant, Jesse Barnett is entitled, under the provisions of Section 21, of the Act of Congress approved June 28, 1898 (30 Stat. 496), to enrollment as a citizen by intermarriage of the Cherokee Nation, and his application for enrollment as such is accordingly granted.

Dear Sir:

November 6, 1906, the United States Supreme Court held that white persons who intermarried with Cherokee citizens according to Cherokee law prior to November 1, 1875, are entitled to enrollment and allotments of land as citizens of the Cherokee Nation.

 Q What was your wife's name before she married you? A Sisson.

 Q Has she lived with you ever since your marriage to her? A Yes sir.

The applicant applied for the enrollment of himself, wife and one child. He is identified on the roll of 1896 as a native Cherokee, he is too young to be on the roll of 1880, but his mother and father are identified on that roll. The applicant has lived in the Cherokee Nation all his life and he will be listed for enrollment as a Cherokee by blood. He states that he and his wife were married in 1898; he is not able to produce a certificate of marriage at this time but states that he can send one to the Commission. Her marriage to him is too late to entitle her to enrollment at this time, under the provision of the Cherokee law of December 18th, 1898. She has lived with her husband ever since their marriage and neither of them were ever previously married, but by reason of the law just referred to, the application for enrollment will be rejected. The applicant states that his child, Lucy May, is nine months old, and when he supplies the Commission with a certificate as to its birth, this child also will be listed for enrollment as a Cherokee by blood, but until the required certificate of marriage of the mother and father of this child is supplied, the child will be placed on a doubtful card.

Chas. von Weiss, being sworn, states that as stenographer to the Commission to the Five Civilized Tribes he reported in full all the proceedings in the above cause and that the foregoing is a full, true and correct transcript of his stenographic notes therein.

Further proceedings in the matter of said application were had at Tahlequah, Indian Territory, October 8, 1902 and November 22, 1904 and at Muskogee Indian Territory, January 19, 1907 and January 29, 1907.

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein, William H. Stevens, a white man, was married in accordance with Cherokee law in 1873 to his wife, Elmira Stevens, nee Catron, who was at the time of said marriage a recognized citizen by blood of the Cherokee Nation, who is identified on the Cherokee authenticated tribal roll of 1880, Flint District, No. 1202 as a native Cherokee and whose name is included on the approved partial roll of citizens by blood of the Cherokee Nation, opposite No. 25237. It is further shown that from the time of said marriage the said William H. Stevens and Elmira Stevens resided together as husband and wife and continuously lived in the Cherokee Nation up to and including September 1, 1902. Said applicant is identified on the Cherokee authenticated tribal roll of 1880 and the Cherokee census roll of 1896 as an inter-married citizen of the Cherokee Nation.

IT IS, THEREFORE, ORDERED AND ADJUDGED: That in accordance with the decision of the Supreme Court of the United States dated November 5, 1906 in the cases of Daniel Red Bird et al. vs. the United States, Nos. 125, 126, 127 and 128, the said applicant, William H. Stevens is entitled, under the provisions of Section Twenty-one of the Act of Congress approved June 28, 1896, (30 Stats. 495), to enrollment as a citizen by intermarriage of the Cherokee Nation, and his application for enrollment as such is accordingly granted.

WITNESSED my hand and the seal of the Department of the Interior at

The applicant applies for the enrollment of himself, wife and one step-child. His wife is identified on the 1880 and 1896 rolls as a native Cherokee; her change of name is established by her own and her husbands testimony. She is a full blood. She appears in the course of the examination and she will be listed now for enrollment as a Cherokee by blood. Her child Ellis Ketcher, a child by her first husband, is identified with her on the roll of 1896, and this child, who is still living, will be listed for enrollment as a Cherokee by blood. The applicant himself is identified on the rolls of 1880 and 1896 in accordance with his testimony, but the identification is not satisfactory; he gives his name as McDaniel, and his father's name as McDaniel and Bolin, and his mother's name as McDaniel and Bolin and Puppy. He is identified on the roll of 1880 as Puppy, a name once born by his mother, in accordance with his testimony, but in no way relating to him. His mother is on that roll by that name. He has lived in the Cherokee Nation all his life, and he will be listed for enrollment at this time as a Cherokee by blood, but on a doubtful card to await further identification on the roll of 1880.

SUPPLEMENTAL TESTIMONY--

Lewis McDaniel being sworn as a witness testified as follows--

- Q What is your name? A. Lewis McDaniel.

 Q How long have you lived in the Cherokee Nation? A. All my life.
 Q Do you know this man here, Wilson McDaniel? A. Yes sir.
 Q What kin is he to you? A. I am his uncle.
 Q His father is dead is he? A. Yes sir.
 Q What was his name? A. Peter McDaniel.
 Q Did he ever have any other name than McDaniel? A. Bolin.
 Q Was the applicants mother married more than once? A. Yes sir.
 Q How many times? A. Twice.
 Q What was the applicants mother known by besides McDaniel or Bolin? A. Mary Puppy.
 Q When did she die? A. Been good while ago, when this young man was a boy 5 or 6 years old.
 Q Was the father of the applicant ever regularly married to this Mary Puppy? A. They lived together as man and wife until she died.
 Q Could she have been enrolled on the 1880 roll as a Puppy? A. She was called Mary Puppy or Tassle most all the time.
 Q Was she a full blood Indian? A. Pretty nearly.
 Q Has the applicant, Wilson H. McDaniel lived in the Cherokee Nation all his life? A. Yes sir.
 Q And you knew that he was a child of that woman? A. Yes sir.

WILSON MCDANIEL

Muskogee, Oklahoma, January 30, 1908.

Subject:
Change of quantum of
Indian blood of Wilson
H. McDaniel, Cherokee
No. 15812.

The Honorable,

The Secretary of the Interior.

Sir:

There is inclosed a petition of Wilson H. McDaniel which was filed by his attorney, C. E. Castle, of Wagoner, Oklahoma, January 28, 1908, that the quantum of Indian blood possessed by him as he appears upon the approved roll of citizens by blood of the Cherokee Nation opposite No. 15812, be changed from a full blood to a mixed blood. Affidavits executed by George Butler and Lewis McDaniel, which are attached to his petition, are also inclosed.

For reasons that are most obvious, it is respectfully recommended that the petition be denied.

When the petitioner applied for the enrollment of himself and family at Tahlequah, Indian Territory, on December 13, 1903, in his examination under oath by the card clerk, whose duty it was to ascertain and record the quantum of Indian blood of each applicant, he swore he was a full blood, and was accorded

ingly duly enrolled as such upon the final roll of Cherokee citizens.

The Act of April 26, 1906 (34 Stat., 137), provides, in part, as follows:

"And for all purposes the quantum of Indian blood possessed by any member of said tribes shall be determined by the rolls of citizens of said tribes approved by the Secretary of the Interior."

This office is in receipt of your letter of January 27, 1908, inclosing a petition to have changed from a full blood to a mixed blood the quantum of Indian blood of Wilson H. McDaniel, Cherokee roll No. 15812, as he appears upon the approved roll of Cherokee citizens.

The petition, together with the affidavits attached thereto, has this day been forwarded to the Secretary of the Interior for action thereupon. You will be advised of the Department's action as soon as this office is informed thereof.

Subject:
Petition of Wilson H.
McDaniel for a change
on the roll of citizens
of Cherokee Nation to
show that he is of less
than full-blood.

The Honorable,

The Secretary of the Interior.

Sir:

I have the honor to transmit herewith a communication from the Commissioner to the Five Civilized Tribes, dated January 30, 1908, enclosing a petition on behalf of Wilson H. McDaniel, filed by his attorney on January 28, 1908, praying that the quantum of Indian blood possessed by him as it appears on the final rolls of citizens by blood of the Cherokee Nation opposite No. 15812 be changed from that of full blood to mixed blood. The petition is supported by the affidavits of George Butler and Lewis McDaniel, each swearing that they are well acquainted with the petitioner and know that he is not a full blood, that they know both his father and mother and that neither of them were full bloods.

The petitioner alleges that his being enrolled as a full-blood was an error that he was in no way responsible for, but Commissioner Wright says that when he applied for enrollment as Table-

quah, Indian Territory, on December 13, 1900, he was examined under oath and stated that he was a full-blood and that on his statement he was listed and enrolled as a full-blood Cherokee citizen. In view of the provisions of the Act of April 26, 1906, (34 Stats. L. 137), making the quantum of blood shown by the rolls final for all the purposes of that act, it is not thought that any change could be made in the enrollment even if there had been an error made by the Commissioner.

The Office concurs in the recommendation of Commissioner Wright that the petition be denied.

Very respectfully,

C. F. Larrabee,

Acting Commissioner.

The applicant applied for the enrollment of herself and two children.

She is identified on the 1880 as well as the 1896 rolls as a native Cherokee. She has lived in the Cherokee Nation all her life except one year spent in the Creek Nation where she was temporarily employed. The variation in her name is explained in a satisfactory manner by her own and other personal testimony and she will be listed for enrollment as a Cherokee by blood. Of her two children, the child James French, a child of her deceased husband, is identified on the roll of 1896, is living and will be listed for enrollment as a Cherokee by blood. When she filed a certificate of the birth of her younger child, William Copinger, born since the death of her husband, and with whose father she was never married, this child also will be listed for enrollment as a Cherokee by blood.

Commissioner Needles-

The name of Peter Graybeard appears upon the Census roll of 1896 and he makes satisfactory proof of his admission to Cherokee citizenship more particularly described in the testimony. The name of his wife, Mary J., appears upon the census roll of 1896. Her name does not appear in the certificate of admission admitting the said Peter Graybeard. He avers that he was married to her in the year 1873, in the State of Tennessee. They being duly identified and having made satisfactory proof as to residence, the said Peter Graybeard will be duly listed for enrollment as a Cherokee citizen by blood. By reason of the fact that his wife does not appear in the certificate of admission, final judgment as to the enrollment of his wife, Mary J., as an intermarried white, will be suspended, and her name will be placed upon a doubtful card.

E. G. Rothenberger, being duly sworn, states that as stenographer, to the Commission to the Five Civilized Tribes, he reported in full the testimony and proceedings in the above case, and that the foregoing is a full, true and correct transcript of his stenographic notes in said case.

The applicant applies for the enrollment of himself, husband and seven children. She is identified on the 1880 roll as well as the 1896 roll as a native Cherokee. She has lived in the Cherokee Nation all her life, and she will be listed now for enrollment as a Cherokee by blood. Of her seven children the first five are identified with her on the roll of 1896, they are minors and are living at this time. They will now be listed for enrollment as Cherokees by blood. When she filed certificates of birth for her two youngest children, Ezek P. and Albert Kirk, these children also will be listed for enrollment as Cherokees by blood. Her husband Thomas Kirk is shown to have married her in accordance with Cherokee law in 1882; she states that neither of them were ever previously married; he is identified on the roll of 1880. The Cherokee Representatives present, content that their law does not provide for the conferment of citizenship to colored men by intermarriage. In a case where an inter-married colored man named Tom Johnson was identified on the roll of 1880 and in every other particular identified in a satisfactory manner since the roll of 1880, that man was placed on a straight card. In the present case, this man is not on the roll of 1880, and for the further consideration of the question of raised in this and other similar cases by the Cherokee Representatives in the application for the enrollment of this man with Thomas Kirk, who is shown to be a colored man, he being through his mother, a colored woman, a half brother of one Lewis Weaver, who is on the Coingsnake roll of 1880 as a colored man, they having the same mother. This applicant will be placed on a doubtful card and listed thereon as a Cherokee by intermarriage.

Chas. von Weice being sworn states that as stenographer to the Commission to the Five Civilized Tribes he reported in full all the proceedings in the above cause and that the foregoing is a full true and correct transcript of his stenographic notes therein. *Chas von Weice*

Dear Sir:

There has heretofore been received by the Commission an affidavit signed by yourself as to the death, on November 19, 1901, of Lizzie Spears, heretofore an applicant for enrollment by this Commission as a citizen of the Cherokee Nation.

The Commission is unable to identify upon its records this Lizzie Spears. There is identified as an applicant for enrollment as a citizen of the Cherokee Nation, one Elizabeth Spears, who would be at this time about seventy years of age, and whose post office is given as Gideon.

It is presumed that Elizabeth Spears, identified as above stated, and the Lizzie Spears mentioned in the affidavit, are the same person. There is enclosed you herewith a blank form of death affidavit, and if this is correct, you are requested to have the new affidavit executed, therein the name of this woman will appear as Elizabeth Spears, and forward to the Commission at the earliest possible date.

Respectfully,

The Department's instructions of June 1, 1905 (I.T.D. 6240-1905), and October 4, 1905 (I.T.D. 12228-1905), as to the proceedings to be taken with reference to these persons have been complied with. Notice under date of March 1, 1906, of the information received as to the date of the death of the above named persons, was given by publication for four consecutive issues, the first issue being March 3, 1906, in "The Cherokee Advocate," a weekly newspaper of general circulation published at Tahlequah, Indian Territory. Attention was called to Section 31, of the Act of Congress approved July 1, 1902 (32 Stat., 716), and notice given to the heirs of the persons named, the administrators of their estates, or any other person having any interest in the estates of the decedents, that

the Commissioner would, at the expiration of sixty days from the date of the notice, recommend to the Secretary of the Interior the cancellation of the enrollment of said persons as citizens of the Cherokee Nation, unless conclusive evidence was presented to the effect that said persons were living on September 1, 1902. Each of the above named persons was shown to have been residing at the time of his death in the Recording District in which said paper is published, and notice of the Commissioner's proposed action was not, therefore, published in any other paper.

In addition to this notice a letter was on May 14, 1906, addressed to each of the above named persons, or his heirs, at his last known postoffice advising the information received, the law with reference to the making of the Roll of citizens of the Cherokee Nation and that unless conclusive evidence was presented within thirty days from date to the effect that the decedent was living September 1, 1902, the Commissioner would recommend to the Secretary of the Interior the cancellation of the enrollment of said person as a citizen of the Cherokee Nation.

No information having been received that any one of the above named persons was living September 1, 1902, it is respectfully recommended that their names be stricken from the

Commissioner Hoodless-

The name of Silas G. Rennecker appears upon the Census roll of 1890, and he presents satisfactory proof of his marriage to one Ida Kelley, a Cherokee citizen by blood, on the 18th day of March, 1898, and the name of the said Ida Kelley is found upon the authenticated roll of 1880. It is averred that she is now deceased. Applicant also presents a certificate of marriage to one Sarah Scott, a Cherokee citizen by blood, in the year 1897, and the name of Sarah Scott is found upon the authenticated roll of 1880 and upon the Census roll of 1890. He avers that by said marriage he has two children, Robert R. and Andrew J., whose names do not appear upon the Census roll of 1890, having been born after said roll was compiled, but makes satisfactory proof of the birth of said children. The said applicant swears in his testimony that he lived with his first wife six or seven months, and they were separated until her death, after which he married the said Sarah Scott. They are all duly identified according to Page and number of the roll as indicated in the testimony, the said ~~Silas G.~~ Sarah Rennecker nee Scott, and her two children, Robert R. and Andrew J. by her husband Silas G. Rennecker, will be duly listed for enrollment as Cherokee citizens by blood. By reason of the separation of said Silas G. Rennecker from his former wife, Ida, final judgment as to the enrollment of the said Silas G. Rennecker as a Cherokee citizen by intermarriage, will be suspended, and he will be placed upon a doubtful card.

E. S. Rotherberger, being duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he reported in full the testimony and proceedings in the above case, and that the foregoing is a full, true and correct transcript of his stenographic notes in said case.

Mrs. Betsy Grecco,

Madam:

Evidence has been secured by this office showing that your daughter, Nancy Speaker, whose name appears on the roll of Cherokee citizens by blood opposite No. 15871, died January 4, 1901.

The Act of Congress of July 1, 1902 (32 Stat., 716), contains the following provision:

"That no allotment of land or other tribal property shall be made to any person, or to the heirs of any person, whose name is on said roll and who died prior to the first day of September, nineteen hundred and two. The right of such person to any interest in the lands or other tribal property shall be deemed to have become extinguished and to have passed to the tribe in general upon his death before said date, and any person or persons who may conceal the death of anyone on said roll as aforesaid for the purpose of profiting by said concealment, and who shall knowingly receive any portion of any land or other tribal property or of the proceeds so arising from any allotment prohibited by this section, shall be deemed guilty of a felony, and shall be proceeded against as may be provided in other cases of felony, and the penalty for this offense shall be confinement at hard labor for a period of not less than one year nor more than five years, and in addition thereto a forfeiture to the Cherokee Nation of the lands, other tribal property, and proceeds so obtained."

Boley, C. C. 11-11-11

You are, therefore, notified that on or before March 7, 1910, you may appear at this office, if you so desire, to show cause why recommendation should not be made to the Department of the Interior that the following notation be placed opposite the name of Nancy Speaker on the approved roll of Cherokee citizens:

"Died prior to September 1, 1902;
not entitled to land or money."

Madam:

Evidence has been secured by this office showing that your mother, Nancy Speaker, whose name appears on the roll of Cherokee citizens by blood opposite No. 15871, died January 4, 1901.

The Act of Congress of July 1, 1902 (32 Stats., 716), contains the following provision:

You are, therefore, notified that on or before March 7, 1910, you may appear at this office, if you so desire, to show cause why recommendation should not be made to the Department of the Interior that the following action be placed opposite the name of Nancy Speaker on the approved roll of Cherokee citizens:

SUBJECT:
Enrollment of Nancy
Speaker, a Cherokee.

The Honorable,

The Secretary of the Interior.

Sir:

I have the honor to bring to the attention of the Department the case of Nancy Speaker, a citizen by blood of the Cherokee Nation, enrolled opposite No. 15871. No application to select an allotment of land for this citizen having been received on April 2, 1908, an allotment of land was designated for her in the Cherokee Nation but no deed was issued pending an investigation as to the date of her death, and on November 20, 1908, Betsy Greese, mother of Nancy Speaker, testified that her daughter died on January 4, 1901, and that the date of her death would be found on her tombstone. This testimony was corroborated by Maggie Walker, a daughter of Nancy Speaker, and on the same date the tombstone on the grave of Nancy Speaker was examined and found to bear an inscription showing the date of her death to have been January 4, 1901.

On February 10, 1910, Betsy Greese, mother of Nancy Speaker, and Maggie Walker, daughter of Nancy Speaker, were

No. 8.

Notified by registered mail of the information secured by this office as to the date of the death of the said Nancy Speaker, and of the provisions of Section 51 of the Act of Congress approved July 1, 1902, (32 Stats., 716) that no person whose name was on the approved roll and who died prior to September 1, 1902, was entitled to an allotment of land or other tribal property, and advised that they might within a stipulated time appear at this office and show cause why recommendation should not be made to the Department that a notation be placed on the roll showing that the said Nancy Speaker was not entitled to participate in a division of the tribal property of the Cherokee Nation.

These notices were received as is evidenced by the return of the registry receipts properly signed but no appearance has been made.

The record in this case appears clearly to establish that Nancy Speaker died prior to September 1, 1902, and I therefore recommend that the following notation be placed upon all copies of the final rolls of citizens of the Cherokee Nation, opposite the name of Nancy Speaker, No. 12571: "Died prior to

Co. 3,

September 1, 1932, not entitled to land or money."

Copies of the record pertaining to the death of this citizen are enclosed herewith.

Respectful y,

Through the Commissioner
of Indian Affairs,

The Honorable,

The Secretary of the Interior,

Sir:

Referring to schedule No. 26 of citizen by blood, heretofore forwarded for Departmental approval, the Commission has the honor to report that the degree of blood of Alice K., James D. Junior, Mary K. and Anna G. Guinn, appearing opposite Numbers 25298, 25299, 25300 and 25301, is erroneously given as $1/8$; that their degree of blood should correctly appear as $1/4$.

At the time of the initial application for the enrollment of these applicants, the blood of the father was given as $1/4$ and the mother was classified as an intermarried white. Subsequent proceedings in the case, however, have established the Cherokee blood of the mother, Lu Ellen Guinn, and she has been scheduled as No. 20845, her degree of blood appearing as $1/4$.

The Commission, therefore, respectfully recommends that the copies of the schedule retained by the Department and in the office of the Commissioner of Indian Affairs, be corrected

Secretary of Interior - 2.

So that the degree of blood of No. 25298 to No. 25301 inclusive,
may appear as 1/4 instead of 1/8, and that the Commission be
directed to make similar changes upon the copies of the schedule
returned to it.

Respectfully,

The Honorable,

Sir:

I have the honor to enclose report from the Commission to the Five Civilized Tribes, dated June 3, 1904, in which it is stated that the degree of blood of Alice E., James D., Jr., Mary E., and Anna T. It is shown by the Commission's report that the persons mentioned are one-quarter Cherokee. The Commission recommends that the proper correction be made in the roll on file with the Department, the one with this office, and that they may be authorized to correct their partial rolls in the particular mentioned. Their recommendation is concurred in.

Muskogee, Indian Territory, March 14, 1907

John Swimmer,

Peggs, Indian Territory.

Dear Sir:

This office is in receipt of your letter of March 8, 1907, in which you ask to be advised if you can now enroll your minor step-daughter, Nancy Cance.

In reply you are advised the records of this office apparently fail to show that any application was ever made to the Commission, or the Commissioner, to the Five Civilized Tribes for the enrollment of Nancy Cance as a citizen of the Cherokee Nation. In this connection there is quoted to you the following provision of the Act of Congress approved April 26, 1906 (34 Stat., 237):

"That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee or Creek tribes, or have applications

John Swimmer-2

for enrollment pending at the approval hereof, ...
.....Provided, that the rolls of the tribes
affected by this Act shall be fully completed
on or before the fourth day of March, nineteen
hundred and seven, and the Secretary of the In-
terior shall have no jurisdiction to approve
the enrollment of any person after said date. •

Respectfully,

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Joseph N. Thompson as a citizen by intermarriage of the Cherokee Nation.

DECISION

THE RECORDS OF THIS OFFICE SHOW: That at Tahlequah, Indian Territory, December 14, 1900, application was received by the Commission to the five Civilized Tribes for the enrollment of Joseph N. Thompson as a citizen by intermarriage of the Cherokee Nation. Further proceedings in the matter of said application were had at Kansas, Indian Territory, May 26, 1902, at Tahlequah, Indian Territory, October 11, 1902, and at Muskogee, Indian Territory, February 19, 1907.

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein, Joseph N. Thompson, is a white man and neither claims nor possesses any rights to enrollment as a citizen of the Cherokee Nation other than such rights as he may have acquired by virtue of his marriage in the State of Arkansas in 1872, to his wife, Julia Ann Thompson, who was at the time of said marriage a recognized citizen by blood of the Cherokee Nation, who is identified on the Cherokee Authenticated Tribal Roll of 1880, Goingsnake District, Page 481, No. 1764, as a native Cherokee, and whose name is included on the approved partial roll of citizens by blood of the Cherokee Nation, opposite No. 215910.

It is further shown that immediately after their said marriage in Arkansas in 1872, the said Joseph N. and Julia Ann Thompson removed to the Cherokee Nation; that subsequent to said removal to the Cherokee Nation they were not remarried in accordance with the laws of said Nation.

It is considered, therefore, that the applicant did not marry in accordance with Cherokee law, a citizen by blood of the Cherokee Nation prior to November 1, 1875.

IT IS, THEREFORE, ORDERED AND ADJUDGED: That in accordance with the decision of the Supreme Court of the United States,

Dated November 5, 1906, in the cases of Daniel Red Bird, et al., vs. the United States, Nos. 125, 126, 127 and 128, the said applicant, Joseph M. Thompson, is not entitled under the provisions of Section 21 of the Act of Congress approved June 28, 1898 (30 Stats., 498), to enrollment as a citizen by intermarriage of the Cherokee Nation, and his application for enrollment as such is accordingly denied.

November 6, 1906, the United States Supreme Court held that white persons who intermarried with Cherokee citizens according to Cherokee law prior to November 1, 1876, are entitled to enrollment and allotments of land as citizens of the Cherokee Nation.

You are therefore directed to appear before the Commissioner at Muskogee, Indian Territory, at 9 o'clock A. M., on Saturday, January 6, 1907, and give testimony as above indicated.

DEPARTMENT OF THE INTERIOR,
OFFICE OF INDIAN AFFAIRS.

Washington, March 2, 1907.

The Honorable,

The Secretary of the Interior.

Sir:

There is enclosed a report from Commissioner Bixby dated February 25, 1907, transmitting the record relative to the application of Joseph H. Thompson for enrollment as an intermarried citizen of the Cherokee Nation, together with the Commissioner's decision of February 25, 1907, denying the application.

Joseph H. Thompson is a white man and claims right to enrollment as a citizen of the Cherokee Nation by virtue of his marriage in the state of Arkansas in 1872 to Julia Ann Thompson, who was at the time of said marriage a recognized citizen by blood of the Cherokee nation and is identified on the authenticated tribal roll of 1866 as a native Cherokee.

The record shows that immediately after their marriage Joseph H. and Julia Ann Thompson removed to the Cherokee Nation. Joseph H. Thompson did not marry his citizen wife in accordance with the laws of the Cherokee Nation, but the record

in the case shows that his name appears on the 1880 roll as E. H. Thompson. Under the opinion of the Attorney General, of February 26, 1907, in the John W. Gleason case, the applicant is entitled to enrollment, and it is recommended that the decision of the Commissioner be reversed and that the name of the applicant be placed on the roll of intermarried citizens of the Cherokee Nation.

Dear Madam:

On the 8th day of October, 1900, you appeared before the Commission to the Five Civilized Tribes and made application for enrollment as a citizen by blood of the Cherokee Nation.

In the testimony it appears that you are a full-blood Cherokee; that you came to the Cherokee Nation about the year 1836; that you have continuously resided in said Nation since that time, and that the name of your husband was Charley Shoulder, now deceased.

The Commission is unable to identify you upon any tribal roll of the Cherokee Nation in its possession under the name of Shoulder.

You are requested to advise the Commission whether you have ever borne any name or names other than Shoulder in order, if possible, that you may be properly identified on the tribal rolls.

Please give this matter your prompt attention.

Yours truly,

Acting Chairman.

In answering refer to

Register.

Muskogee, Indian Territory, May 7th, 1903.

M. D. Green,

Clerk in Charge,

Cherokee Enrollment Party # 4,

Needmore, Indian Territory,

Sir:

Rachel Shoulder appeared before this Commission upon the 8th day of October, 1900, and made application for the enrollment of herself as a citizen by blood of the Cherokee Nation. It is developed by the testimony that she is a full blood Cherokee and came to the Cherokee Nation about the year 1836, prior to the removal of the main body of the Cherokees to this country. The name of her husband is Charlie Shoulder, and he is now deceased.

The Commission has been unable to identify her upon any of the tribal rolls of the Cherokee Nation and the evidence fails to disclose what her name was prior to her marriage with Charlie Shoulder, nor does it disclose the date of her marriage, and it fails to show what her name was in 1880 at the time of the making of the 1880 roll. She is a resident of Delaware District and her postoffice is Hayesville, Arkansas.

It is desired, that should you be in that vicinity, you should make an effort to locate her and ascertain what her name was prior to her marriage to Shoulder and if she has been married more than once;

H. D. 6-2.

and also what her name was in 1880 at the time of the making of the 1880 roll.

These facts are necessary in order that we may be able to examine the rolls intelligently for the purpose of identifying this applicant.

Yours truly,

Commissioner in Charge.

He is identified on the roll of 1896: He is a white man; He has filed a certificate of marriage to his wife, showing that he was married to her July 2nd, 1889: She is identified on the rolls of 1880 and 1896 and she has lived in the Cherokee Nation all her life. She was never previously married: He was married once previous to this marriage, but he states that he secured a divorce from that wife prior to this marriage, a decree of which she is unable to supply at this time.

It also appears from the testimony that he procured a Cherokee license prior to his marriage to his present wife, which he states has been lost, and that through the neglect of the deputy clerk of Goingsnake or other officials this document was never made of record. The Deputy Clerk appears in evidence and states that he returned a year or more after the marriage the Cherokee license and the money- ten dollars- which had been paid, upon the statement by the applicant that the law had not been carried out. It is also shown that the applicant is not living with his present wife, and has not since some time last Spring, and that she has taken action to secure a divorce. He states that she expects to resume living with him. Under these conditions, the applicant will be listed for enrollment on a doubtful card as a Cherokee by intermarriage. He is desired to supply this Commission with a copy of the decree of divorce and it is also desired to further consider his present relations with his wife and the present testimony adduced relating to his Cherokee license.

His wife, as stated, is identified on the rolls of 1880 and 1896 as a native Cherokee; was lived in the Cherokee Nation all her life, and she will be listed for enrollment as a Cherokee by blood. Of the five children named in the testimony, the first four are identified with their parents on the roll of 1896: They are living, and will be listed for enrollment as Cherokees by blood.

The undersigned, being sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of his stenographic notes thereof.

DEPARTMENT OF THE INTERIOR,
OFFICE OF INDIAN AFFAIRS,
WASHINGTON. February 14, 1907.

The Honorable,

The Secretary of the Interior.

Sir:

On January 19, 1907, the Office transmitted the decision of the Commissioner to the Five Civilized Tribes relative to applications for the enrollment of Frank Howard, et al, as citizens by intermarriage of the Cherokee Nation. The decision includes the applications of seventy-two persons found by the Commissioner to be not entitled to enrollment under the decision of the Supreme Court of the United States in the case of Daniel Red Bird, et al, against the United States.

It appears from the record in the case that the names of all the applicants are found on the authenticated 1890 roll of citizens of the Cherokee Nation, and the Office in transmitting the record did not consider this phase of the case. On January 21, the Department was requested to return the record in the case for further consideration by the Office. It was returned with Department letter of February 6, 1907, L.T.D. 1390.

With reference to the names of these applicants being on the 1880 roll Mr. Dixby says:

THE RECORDS FURTHER SHOW: That the names of said persons appear upon the Cherokee authenticated roll of 1880; that they possess no right to enrollment as citizens of the Cherokee Nation other than by intermarriage, and that no one of said persons claims to have been married to a citizen by blood of the Cherokee Nation prior to November 1, 1875.

As the applicants were not married to citizens by blood of the Cherokee Nation in accordance with the laws, usages and customs of the tribes prior to November 1, 1875, they are not entitled to enrollment, unless it be by virtue of their names being on the 1880 roll. By the provisions of section 21 of the Act of June 28, 1898 (30 Stat.L., 498), the roll of Cherokee citizens of 1880, not including freedmen, is confirmed, and the Commission is directed to enroll all persons whose names are found on that roll and their descendants born since the date of the roll. It is then provided that other rolls shall be examined and that the names of all persons found on the other rolls not placed thereon by fraud or without authority of law shall be enrolled.

The only question in the case seems to be whether a confirmation of this roll by Congress entitles a person whose name appears on said roll to enrollment as a citizen of the Cherokee Nation who would not otherwise be entitled to such enrollment.

The Supreme Court in the case of *Wofire vs. the United States* (164 U.S., 687) said:

(Syllabus)

The fact that a marriage license has been issued carries with it a presumption that all statutory prerequisites thereto have been complied with, and one who claims to the contrary must affirmatively show the fact.

.....
The evidence shows that the deceased sought, in his lifetime, to become a citizen of the Cherokee Nation, took all the steps he supposed necessary therefor, considered himself a citizen, and that the Cherokee Nation, in his lifetime, recognized him as a citizen and still asserts his citizenship. Held, that, under those circumstances, it must be adjudged that he was a citizen by adoption, and consequently that the jurisdiction over the offence charged is, by the laws of the United States and treaties with the Cherokee Nation, vested in the courts of that Nation.

In the case of Daniel Red Bird, et al vs. the United States the Supreme Court said:

The roll of 1860, made by the Cherokees, was a census roll, and its confirmation was not intended to create any rights which citizens of the Cherokee Nation had not before enjoyed, but merely to furnish the basis for making up the roll of citizens. Section 21 was in reality a statement that no previous act of Congress was intended to confirm any other roll of the Cherokee Nation.

.....
Section 31 of the Act of July 1, 1902, says that no person whose name does not appear on the roll made by the Commission to the Five Civilized Tribes "shall be entitled to in any manner participate in the distribution of the common property of the Cherokee tribe, and those whose names appear thereon shall participate in the manner set forth in this act." In other words, the roll must be made up of citizens who under the laws of the Cherokee Nation were entitled to participation in the distribution of the common property of the Cherokee tribes.

The concluding words of section 21, "with such intermarried white persons as may be entitled to citizenship under Cherokee laws," emphatically indicate that Congress had the Indian citizen in mind in all that went before and limited enrollment of white persons to such as might be entitled to citizenship under Cherokee laws.

From the foregoing quotations it is evident that the Supreme Court makes a distinction between citizens having political rights only and those having all rights, including the right to share in the distribution of the land and other property of the Cherokee Nation. This being true, it is evident that Congress did not intend that any person should be given the right to share in the property of the Cherokee Nation simply because his name was on some roll of the nation that had been confirmed by Congressional action unless it is there as a full citizen and not as a citizen with political rights only.

The Office is of the opinion that the persons whose names appear in the record enclosed are not entitled to enrollment as citizens by intermarriage of the Cherokee Nation, and the approval of the Commissioner's adverse decision is recommended.

Very respectfully,

C. F. Larrabee,
Acting Commissioner.

Commissioner to the Five Civilized Tribes,

Sir:

On February 14, 1907 (Land 12493), the Indian Office transmitted your report dated January 10, 1907, in the matter of the applications for the enrollment of Frank Howard and seventy-two others as citizens by intermarriage of the Cherokee Nation, together with your decision, adverse to said applicants.

The Indian Office censures in your recommendation. A copy of its letter is inclosed.

It appears that the names of said persons appear upon the Cherokee authenticated roll of 1880 and that they possess no right to enrollment as citizens of the Cherokee Nation other than by intermarriage, and that one of said persons claims to have been married to a citizen by blood of the Cherokee Nation prior to November 1, 1875.

In view of the decision of the Supreme Court of the United States dated November 5, 1906, in the case of Daniel Red Bird et al. vs. the United States, it is considered that your decision

Dear Sir:-

There has heretofore been received by this Commission a birth affidavit in the matter of the application for the enrollment as a citizen of the Cherokee Nation of Helen Thompson, infant child of yourself and Nellie Thompson. This affidavit shows that this child was born on December 20, 1898.

When you applied to this Commission on December 14, 1900, for enrollment as a citizen of the Cherokee Nation, you failed to mention in your application this child, Helen. Before the application for the enrollment of the child can be further considered, you will be required to appear before the Commission at its offices at Muskogee, Indian Territory, and make personal application for her enrollment, or supply the Commission with an explanation as to why her name was not included in the application which you made for your own enrollment.

You should give this matter your earliest attention as under the provisions of the Cherokee Agreement, proclaimed August 18,

P. 11.

1902, this Commission will be without authority after October 31, 1902, to receive applications for the enrollment of children born to recognized citizens of the Cherokee Nation.

Respectfully,

Commissioner in Charge.

Muskogee, Indian Territory, December 2, 1902.

Dear Madam:-

The Commission is in receipt of your letter of November 26, asking if Helen Thompson, daughter of yourself and Felix Thompson, has been regularly listed for enrollment.

In reply, there is enclosed you herewith a copy of a letter written October 11, 1902, to Felix Thompson, relative to the enrollment of this child.

As soon as the Commission is in receipt of a reply to this letter of October 11, the application for the enrollment of this child will receive further consideration.

Respectfully,

Acting Chairman.

Commissioner Breckinridge-

The applicant applies for the enrollment of himself, and five children. He is identified on the rolls of 1880 and 1896 as a native Cherokee. He has lived in the Cherokee Nation all his life, and he will be listed for enrollment as a Cherokee by blood. The five children for whom he applies are all minors. They are the children of his second wife. He states that his first wife was dead before he married his second wife, and that his second wife was never previously married. She lived with him until her death. It is established by satisfactory testimony in addition to that of the applicant, that they were married in 1883, and lived together from the time of their marriage until her death within the present year. She was a white woman. Of these five children, the first four are duly identified on the roll of 1896. They are all living at this time, and they will now be listed for enrollment as Cherokees by blood. When a proper certificate of birth of the youngest child, Elizabeth G., is filed with the Commission, this child also will be listed for enrollment as a Cherokee by blood.

H. G. Rotherberger, being duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he reported in full the testimony and proceedings in the above case, and that the foregoing is a full, true and correct transcript of his stenographic notes in said case.

Theodore Potts,
Wagoner, Indian Territory.

Dear Sir:-

The Commission is in receipt of your letter of October 25, enclosing birth affidavit in the matter of the application for the enrollment, as a citizen of the Cherokee Nation, of Mary Harbob, infant child of Alee and Deakey Harbob.

The same has been filed, but as it appears that the mother of this child is listed for enrollment under the name of Daky Harbob, you are requested to have her supply the Commission with a new affidavit wherein her name will appear as it appears upon the Commission's records, Daky Harbob.

The affidavit is not in correct form for the additional reason that the notary, before whom the mother and midwife executed their affidavits as to the birth of this child, witnessed as an ordinary witness their signatures by mark. The Commission requires that all signatures by mark be witnessed by two witnesses other than the person taking the acknowledgment.

Respectfully,

Acting Chairman.

1870000 P. M. A. SECTION BY J. W. C.

Department of the Interior,
Commission to the Five Civilized Tribes,
Tahlequah, I.T., December 14, 1900.

In the matter of the application of Emma Cochran for the enrollment of herself and child as Cherokee citizens; being sworn and examined by Commissioner Needles, she testified as follows, through official interpreter, Jo. Sequichie:

- Q What is your name? A Emma Cochran.
Q How old is she? A 21.
Q What is her post-office address? A Melvin
Q What district does she live in? A Tahlequah.
Q Is she a full-blood Cherokee? A Yes sir.
Q Who does she want to enroll? A Herself and child.
Q What is the child's name? A Wylie Chauculate, one year old.
Q What is her father's name? A Walker Cochran.
Q Mother's name Nancy? A Yes sir.
Q You had a brother named Jim? A She has got a sister named Annie.
1880 roll page 747 #521 Walter Cochran Tahlequah
1880 roll page 747 #522 Nancy Cochran Tahlequah
Q She has never been married has she? A No sir.
Q What was she in 1896? A She said she enrolled as Emma Houston in 1896.
Q What made her enroll as Houston? A She said she was living with a fellow named Houston.
1896 roll page 1188 #1579 Emma Houston Tahlequah
Q Has she always lived in the Cherokee Nation? A Yes sir.

Com'r Needles: The name of Emma Cochran appears upon the census roll of 1896 as Emma Houston; she is identified as the child of Walker and Nancy Cochran, whose names appear upon the authenticated roll of 1880 according to page and number of said roll as indicated in the testimony; she avers that she has one child, named Wylie Chauculate, one year old, whose name does not appear upon the census roll of 1896, but she presents satisfactory proof of birth as to said child, consequently said Emma Cochran and her child Wylie Chauculate, will be duly listed for enrollment as Cherokee citizens by blood.

M.D. Green, being first duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes he correctly recorded the testimony and proceedings in this case and that the foregoing is a true and complete transcript of his stenographic notes thereof.

In the matter of the application of Emma Cochran for the enrollment of herself and her child, Wyly Chuculate, as citizens by blood of the Cherokee Nation.

Walker Cochran, being duly sworn, and examined by the Commission, testified as follows through S. H. Walkingstick, interpreter:

- Q What is your name? A Walker Cochran.
Q How old are you? A About fifty-four.
Q What is your postoffice? A Melvin.
Q Did you know Emma Cochran? A Yes sir, she was my daughter.
Q When did she die? A She has been dead about three months.
Q Was she married? A Yes sir.
Q What was her husband's name? A Larkin Sevenstarr.
Q Was it Sevenstarr or Chuculate? A Well, the reason that name Chuculate comes in is because she had a child by a man named Chuculate.
Q Was she married to the father of this child - Tom Chuculate?
A No sir.
Q She was married to Larkin Sevenstarr? A Yes, she was married to him.
Q She was living with him as his wife when she died? A Well, at the time of her death her husband was in the penitentiary and is still there and she was just living with me. I suppose you would call her his wife.
Q They weren't divorced were they? A No sir.
Q Had she any children by Larkin Sevenstarr? A No sir.
Q The only child she had was this Wyly Chuculate by Tom Chuculate?
A Yes sir, that is all.
Q Can you give us the date of your daughter's death? A Why, I think she died on the 28th day of February, this year, I wouldn't be sure. It was either February or March; I know it was on the 28th day of the month.

The undersigned, being duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and correct transcript of his stenographic notes thereof.

Commissioner Breckinridge-

The applicant applies for the enrollment of himself, his wife, and four children. He and his wife are both identified on the rolls of 1880 and 1886 as native Cherokees. They have lived in the Cherokee Nation all their lives. Her change of name arises from her marriage, which is established by satisfactory testimony, and they will now both be listed for enrollment as Cherokees by blood. The two older children, Aramund and Minnie, are duly identified on the roll of 1886. They are living, and will be listed for enrollment as Cherokees by blood. When proper certificates of birth of the two younger children, Bora and Charles, are filed with the Commission, they also will be listed for enrollment as Cherokees by blood.

E. S. Rothenberger, being duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he reported in full the testimony and proceedings in the above case, and that the foregoing is a full, true and correct transcript of his stenographic notes in said case.

Commissioner Breckinridge-

The applicant applies for the enrollment of himself, and brother. His brother is 22 years of age, but the applicant states that he is in prison at Fort Smith undergoing a sentence imposed upon him last summer at Muskogee, and under those conditions he is permitted to make application for his brother. The applicant is identified on the roll of 1896 as a Native Cherokee. He has lived in the Cherokee Nation all his life. He is a full blood. He is too young to be upon the roll of 1880, but his mother is identified on that roll; and he will now be listed for enrollment as a Cherokee by blood. His brother, Dick Downing, is identified on the rolls of 1880 and 1896 as a native Cherokee. He has lived in the Cherokee Nation all his life, and he will now be listed for enrollment as a Cherokee by blood on a doubtful card to enable the Commission to examine the Court records if it desires to do so.

Q Where is Dick Downing's postoffice address? A Baron.

The applicant applies for the enrollment of himself, his wife, and one child of the present marriage, and four step-children, who are the children of his wife by a former marriage. He is identified on the rolls of 1880 and 1886 as a native Cherokee. He has lived in the Cherokee Nation all his life, and he will be listed for enrollment as a Cherokee by blood. His wife is identified on the rolls of 1880 and 1886 as a native Cherokee. She has lived in the Cherokee Nation all her life. The variations in her name are satisfactorily explained by personal testimony, and she will now be listed for enrollment as a Cherokee by blood. The four step-children, Maud F., Addie V., Bertha E., and Mary E. Brown, are the children of the applicant's wife by her former husband. They are minors, and are living now. They are only identified on the roll of 1886, and they will be listed for enrollment as Cherokees by blood. When a proper certificate of birth of the youngest child, Josie E. Maigs, the child of the present marriage, is filed with the Commission, this child will also be listed for enrollment as a

Muskogee, Indian Territory, May 31, 1906.

Cyrus Beede,
United States Indian Inspector,
Muskogee, Indian Territory.

Dear Sir:

There was heretofore certified to the United States Indian Agent, Union Agency, Muskogee, Indian Territory, the official designated by the President to appraise the improvements on Delaware surplus lands, under the provisions of the Act of Congress approved April 21, 1904, the lands upon which the Commission found that the estate of Mary J. McKee, deceased, owned improvements which said estate was entitled to dispose of under the provisions of said Act.

The improvements on the lands so certified do not appear from the records of the Commission to have been disposed of by the estate of Mary J. McKee under the provisions of said Act, and it would therefore appear that H. R. Strother, as administrator of the estate of Mary J. McKee, deceased, is entitled under the provisions of the Act of Congress approved March 3, 1903, to dispose of the improvements upon the following described tracts of land, to-wit:

-2-

NW⁴ of NE⁴ of SW⁴, except the improvements lying
north of the river, in
Section 23, Township 26 North, Range 16 East;

NW⁴ of NW⁴ of NW⁴ of
Section 26, Township 26 North, Range 16 East.

You are further notified that H. R. Strother as
administrator of the estate of Mary J. McKee, deceased, is
allowed until September 3, 1905, in which to dispose of the
improvements upon the above described tracts of land.

Respectfully,

The applicant applies for the enrollment of himself, wife and two children. He is identified on the 1880 roll as well as the roll of 1896 as a native Cherokee. He has lived in the Cherokee Nation all his life, exception one year in the Creek Nation which was of a transitory character, and is not considered to have impaired his rights as a Cherokee citizen, and he will therefore be listed at this time for enrollment as a Cherokee by blood. His wife is shown to have married him in July 1895, the licence and certificate are filed herewith. She is a white woman, she is identified with him on the roll of 1896, she was never previously married, he was only married once prior to his marriage to his present wife, and he states that he had been divorced from his first wife before he married his present wife. He is desired to supply this Commission with an official copy of the decree of that divorce. An alleged certificate referring to it is filed to day. His wife will be listed for enrollment at this time on a doubtful card as a Cherokee by adoption, to await evidence of her husbands divorce from his first wife. Of the two children mentioned in the testimony, the elder one, James R. is identified with his parents on the roll of 1896, he is living and will be listed now for enrollment as a Cherokee by blood but on a doubtful card to await evidence of his fathers divorce from his first wife. When the Commission is supplied with a certificate as to the birth of his younger child, Sarah E., this child also will be listed for enrollment as a Cherokee by blood on a doubtful card to await the evidence of divorce just referred to.

Chas. von Weise, being sworn states that as stenographer to the Commission to the Five Civilized Tribes he reported in full all the proceedings in the above cause and that the foregoing is a full, true and correct transcript of his stenographic notes therein.

The applicant applies for the enrollment of himself, wife and two children. He is identified on the roll of 1880 and also on the roll of 1896, on the latter Roll as a native Cherokee and on the former roll, evidently through error, as an adopted Colored, but his mother is identified on said roll as a native Cherokee. He has lived in the Cherokee Nation all his life, and he will now be listed for enrollment by this Commission as a Cherokee by blood. The nature of the enrollment is called to the attention of the Cherokee Representatives present, and they state that they have known the family and that they do not doubt but that his classification on the 1880 Roll was a mistake, and that the classification in 1896 is the proper one. He will therefore be listed for enrollment at this time by this Commission as a Cherokee by blood, and in as much as his 1896 classification and also the 1880 classification of his mother, and the knowledge of the Cherokee Representatives of his family as to their being Cherokees by blood, no doubt is felt by the Commission as to his present classification. The applicant also applies for the enrollment of his wife, and avers that he was married to her in 1895, and the marriage is satisfactorily proven by the personal testimony of the applicants half sister. He avers that she has lived with him ever since their marriage in 1895, is living now, and that neither of them were ever previously married. She is identified on the 1896 roll with her husband and oldest child and she will be listed now for enrollment as a Cherokee by blood adoption. The elder child being duly identified on the roll of 1896, and living at this time, will be listed now for enrollment as a Cherokee by blood. When the Commission is supplied with a certificate of the birth of his younger child John, this child also will be listed for enrollment as a Cherokee citizen by blood.

Chas. von Weise, being sworn states that as stenographer to the Commission to the Five Civilized tribes, he reported in full all the proceedings in the above cause and that the foregoing is a full, true and correct transcript of his stenographic notes, therein.

The applicant applies for the enrollment of herself, husband and one child. Her husband appears in the course of the examination. She appears on the rolls of 1896 and 1898 as a native Cherokee. The variations in her name are explained in the testimony and by the marriage license and certificate filed herewith. She has lived in the Cherokee Nation all her life and she will be listed now for enrollment as a Cherokee by blood. Her husband is shown to have married her in accordance with Cherokee law in the year 1893, and they have lived together ever since as man and wife, and she avers that neither of them were ever previously married. He is identified on the roll of 1896 as a white man and he will be listed now for enrollment as a Cherokee by intermarriage. When the Commission is supplied with proper certificate as to the birth of the child Almon Lee, this child also will be listed for enrollment as a Cherokee by blood.

Chas. von Weise, being sworn states that as stenographer to the Commission to the Five Civilized tribes he reported in full all the proceedings in the above cause and that the foregoing is a full, true and correct transcript of his stenographic notes therein.

Oliver Madam,

Collinsville, Indian Territory.

Dear Madam:

The Commission is in receipt of your letter of April 1, requesting that you be furnished with a ticket of admission to the Cherokee Land Office for your son, John F. Trainor. You also ask if it will be necessary for you to be appointed as guardian for your child before you will be permitted to select the allotment in the Cherokee Nation to which he is entitled, you being a non-citizen of that Nation.

In reply there is enclosed you herewith such a ticket as you request. You are advised that under the rules and regulations governing selection of allotments in the Cherokee Nation, it will be necessary that selection of allotment for your child be made by a duly appointed guardian.

In this connection you are advised that before the application for the enrollment of John F. Trainor will be complete, further evidence should be presented as to his residence in the Cherokee Nation, and also evidence as to the marriage of his parents.

This testimony can be introduced before the Cherokee Land Office of this Commission, and should be presented at the earliest

DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES
TAHLQUAH, I.T., DECEMBER 14th, 1900.

IN THE MATTER OF THE APPLICATION OF David L. Bird for the enrollment of himself, wife and child as citizens of the Cherokee Nation, and he being sworn and examined by Commissioner, T. B. Needles, testified as follows:

- Q What is your name? A David L. Bird.
Q What is your age? A Forty six.
Q What is your Postoffice address? A Ramona.
Q What district do you live in? A Cooweescoowee.
Q Are you a recognized citizen of the Cherokee Nation?
A By adoption I suppose.
Q Whom do you desire to enroll? A My wife and baby.
Q Have you a certificate of marriage? A Yes sir.

Com'r. T. B. Needles: The applicant presents a certificate of marriage, certifying that he was married to one, Sarah J. Whitmire at Tahlequah on the 25th day of August, 1899.

- Q How old is your wife? A Thirty six years old.
Q What is your child's name? A Charley M. C. Bird, born the second day of December, 1900.
Q Were you your wife's first husband? A Yes sir.
Q Her maiden name was Whitmire? A Yes sir.
Q Is she a Cherokee citizen by blood? A Yes sir.
Q Do you apply for yourself? A I do not know whether I can or not.

Com'r. T. B. Needles: The certificate of marriage presented certifies that the applicant was married according to the laws of the United States, under a license issued by the Clerk of the United States Court for the Northern District of the Indian Territory.

(1880 Roll, Page 496, #2122, Sarah Whitmire, G-snake D'st)
(1896 Roll, Page 812, #2547, Sarah J. Whitmire, G-snake D'st)

Com'r. T. B. Needles: The applicant applies for the enrollment of himself, his wife and one child: He presents proof of marriage to one, Sarah J. Whitmire, a Cherokee citizen by blood, in the year 1899, said marriage having been solemnized according to the United States, and not according to the laws of the Cherokee Nation: The name of his wife is found upon the authenticated roll of 1880, as well as the census roll of 1896, as a Cherokee citizen by blood: He avers that he has one child, Charley M. C. Bird, whose name does not appear upon the census roll of 1896, but he presents satisfactory proof of birth; makes satisfactory proof of residence, and they are duly identified: Consequently the applicant's wife, Nancy J. Bird, and child, Charley M. C. Bird, will be duly listed for enrollment as Cherokee citizens by blood. The evidence showing that David L. Bird was never married according to the laws of the Cherokee Nation, and his marriage occurred in the year 1899, too late for non citizens to acquire any rights to citizenship, he being a white man: Consequently the application of the said David L. Bird for enrollment will be rejected.

The undersigned, being sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of his stenographic notes thereof.

Upon examination of the 1880 authenticated roll of the

applicant, William Weeley, in this case be cancelled, and that copies
of this statement be filed with the evidence in this case.

The Commission is unable to identify positively any application made by you under the name of Samuel Sanders, or your wife under the name of Fannie West, for enrollment as a citizen of the Cherokee Nation. The records show that one Samuel S. Sanders, who gave his age as 28 and his postoffice as Braggs, Indian Territory, applied for the enrollment of himself and his family as citizens of the Cherokee Nation on December 14, 1900. The name of his wife was shown in the application as Elizabeth.

If you are the Samuel Sanders included in that application, it will be necessary that you supply the Commission with a properly executed affidavit as to the death of your wife, Elizabeth. If you are not the Samuel Sanders above referred to, you are requested to advise the Commission when, where, and under what name you or your wife have ever applied to this Commission to be enrolled as a citizen of the Cherokee Nation.

Samuel S. Sanders, etc.

The affidavits relative to your marriage are herewith
returned to you.

Respectfully,

Acting Chairman.

Commissioner Needles-

The name of John Sanders appears upon the authenticated roll of 1880 as well as the Census roll of 1896 as a Cherokee citizen by blood. He makes satisfactory proof of marriage to his wife, Elisabeth Mills, a non citizen, in the year 1887. Her name is found upon the Census roll of 1884. The names of his children, William, Callie, Polly M. and Mahala, are found upon the Census roll of 1894.

2- J.S.

He makes satisfactory proof of birth as to Nick, a younger child, whose name does not appear upon the said rolls. All duly identified according to page and number of the roll as indicated in the testimony, and he makes satisfactory proof as to residence; consequently, the said John Sanders and his children, Gallie, Polly, Mahala, and Nick, will be duly listed for enrollment as Cherokee citizens by blood; His wife Elizabeth as a Cherokee citizen by intermarriage. It appears from the testimony that said John Sanders was married to his wife in the year 1827; that he lived with her two years before said marriage, during which time his oldest child, William, was born. By reason of this fact, final judgment as to the enrollment of said William Sanders will be suspended, and his name will be placed upon a doubtful card.

E. G. Rothberger, being duly sworn, states that as stenographer to the commission to the Five Civilized Tribes, he reported in full the testimony and proceedings in the above case, and that the foregoing is a full, true and correct transcript of his stenographic notes in said case.

They have lived in the Cherokee Nation all their lives. Her change of name arises from her marriage, which is established by the testimony of the applicant and the roll of 1896 and other satisfactory testimony. They will now be listed for enrollment as Cherokees by blood. The two elder children, Floyd W. and Sally L. are identified on the roll of 1896. Com'r Breckinridge:--The applicant applies for the enrollment of himself, his wife and four children: His wife is identified on the rolls of 1880 and 1896 as a native Cherokee. She has lived in the Cherokee Nation all her life. Her change of name is established by the marriage license and certificate filed herewith, and she will now be listed for enrollment as a Cherokee by blood.

William T. Neff---2.

The applicant is shown by the marriage license and certificate filed herewith to have been married to his wife in accordance with Cherokee law in March, 1890. He is a white man. Neither he nor his wife was previously married. They have lived together ever since their marriage. He is identified with her on the roll of 1896, and he will now be listed for enrollment as a Cherokee by ~~blood~~ intermarriage. The three older children, James M., Mary B. and Ada L. are duly identified on the roll of 1896. They are living now and will be listed for enrollment as Cherokees by blood. When the Commission is supplied with a proper certificate of the birth of the youngest child, Thomas E., this child will also be listed for enrollment as a Cherokee by blood.

A I don't either, but he taken her off.

Q You don't know anything about it? A He taken her off and left her at Boswell's, I suppose.

Q Now, you were asked by Mr. Starr if you ever had any talk with him about how he did with other woman before this trouble, and you said "Oh, yes, I told him about it and he said he would quit if I would stay at home with him, but he didn't do it? AI did?

Q The brother of this man? A No, he wasn't there.

Q Were you ever there but the one time when they were in the tent at the saw-mill? A Yes sir, I was there several times.

By J. C. Starr: The cause of the separation was when he went off with another woman? A

W.A. Chase: We object to the form of this question.

S-William R. Scott et al.

Commission: It is somewhat leading.

Q What was the cause of this separation? A It was that woman, that Owen Beck daughter.

Q What did she do to cause the separation? A She went off with him, I reckon. He went off with her; he had taken her off.

W. A. Chase: Isn't it a fact that he, and this Beck woman and some other people there in the neighborhood left your place and went down to Pryor creek to a picnic and stayed there a day or two and then he come home? A They went to a picnic down there.

Q They went to a picnic? A Yes sir.

Q And how long did they stay? A They stayed there about three or four days, I don't remember which.

Q And then they come on back? A They come home.

Q And then after that was when he went away with her? A Yes sir.

Q After that? A No sir.

Q You never lived together since? A No sir.

Q Did he ever contribute to your support after that - did he give you any money? A He gave me five dollars after that one time.

Q Gave it to you? A Yes sir, to keep the children up; one time was all.

Q Where were you living then? A I was staying at his brother's on Rose prairie.

Q Do you know whether he continued to live with this woman that he went away with right along? A He lived with her right along.

Q What became of this other girl, that you were raising, Lena Sofskin? A She married Boswell.

Q That was after the separation between you and your husband? A No sir, that was before; she married before.

Q How long before? A I suppose about a year and a half or two years, I don't remember which.

V.A. Chase: You say he didn't contribute to your support any after that time? A No sir.

Q Did he send you some shoes and some dresses and some other things?

A He never sent me any dresses. He sent me a pair of shoes; he sent the children some things.

Q And sent you some shoes? A I reckon, I don't know whether he got them or his brother got them.

Q He sent you some shoes, didn't he? A Somebody bought me some shoes; his brother brought them. His brother said he bought them, but I don't know for they were always deaving me, and I didn't know for certain.

- Q You don't know whether he left with a woman or not? A No sir, I do not.
- Q You don't know where Mrs. Scott lived, or how they were separated? A No sir, she was living on the prairie somewhere, but I couldn't say where.
- Q You don't know whether she left him or he left her? A No sir.
- J.C. Starr: Mrs. Scott continued to live in that country? A Yes sir.
- Q Scott wasn't living there at that time? A No sir, I don't think he was.
- W.A. Chase: Do you know he wasn't? A No sir, I don't for sure.

APPLICANT RECALLED:

Q This child is living now is he? A Yes sir.

Com'r Breckinridge: The applicant applies for the enrollment
of a child, Mary F. Kell, which she states is her child by a former
husband; she is a white woman, and states that since the death of
her Cherokee husband she has married a white man, and she makes no
applicatin for herself. The father of this child is identified on
the roll of 1880 as a native Cherokee; he is said to have lived in
the Cherokee Nation until his death, some 12 years ago, and the fact
that he and the applicant lived together as husband and wife is es-
tablished by satisfactory testimony; she states that that was
her first husband, and it appears from the testimony reasonably
conclusive that his two former wives were dead at the time he lived
with this woman as his wife. The child is duly identified on the
roll of 1896 as a native Cherokee; she is now living and this child
Mary F. Kell will now be listed for enrollment as a Cherokee by blood

M.D. Green being first duly sworn, states that as a stenographer to
the Commission to the Five Civilized Tribes he correctly recorded
the testimony and proceedings in this case and that the foregoing is
a true and complete transcript of his stenographic notes thereof.
